The Croydon Referees Society Christmas Social **RACE NIGHT**

As trailed in the November RAY December sees a change to our format as the quiz gives way to a race night.

This is intended to be a FUN night for members and their friends and family so feel free to bring them along.

FRIENDS & FAMILY WELCOME

There will be 6 races with each race sponsored by a member of the Committee.

With 8 horses in each race there will be plenty of opportunities for you, and your friends, to sample what it feels like to be an owner in a race with mounts available for £5 each. Horses will be sold on the night (but if you cannot make it or wish to avoid disappointment they can be reserved in advance by contacting Stephen Maguire).

In addition to the thrill of the chase each of the race sponsors will be donating a prize for the winning owner.

The bets themselves will be in multiples of 50p with the "Tote" paying out most of the money received on the winning bets in each race.

BUFFET As with previous Christmas Social events, a free buffet will be provided and the bar will be open throughout the evening.
